The following outlines the conditions under which a student may be expelled with cause:

Students who are found under the influence of drugs and/or alcohol or carrying weapons will be subject to immediate expulsion.

 - verbal warning
 - written warning
 - suspension
 - expulsion

Notification:

Students who are subject to expulsion for any reason will be notified in writing, either hand delivered or by registered mail. Southwest Fire Academy is not responsible for non-delivery by registered mail if the student has not provided a valid home address where the student currently resides. The notification will contain a description of the basis for expulsion and the effective date.

Expelled students who dispute the facts of the expulsion and wish to appeal must appeal the decision in writing within one week of the notification by following the college's student complaint procedure provided to the student and by providing sufficient proof to support the complaint. A Student whose expulsion is upheld after having followed the college's student complaint and appeal procedure, may file a further appeal through the Complaints process of the Ministry of Training, Colleges and Universities, provided the students are attending a program approved under the Private Career Colleges Act, 2005.

If a student's appeal is successful and he/she is eventually reinstated as part of the internal college or Ministry appeal processes, than the college will arrange for the student to make up the training time that he/she had missed since the date of expulsion specified in the written notification. Fees Settlement of student's accounts, for students that have been expelled, will be completed under the College's Fee Refund Policy, using the effective date of expulsion as the final day of attendance in their program of study.

Return of Property:

A student who is expelled is responsible for the return of any College property in his/her own possession within 10 days of the expulsion and will be held financially responsible for any property not returned in good condition or as outlined in the student contract.
